## Essential Packing Supplies

- Basic Tool Kit
  - For assembly and disassembly.
- Boxes
  - Purchased from your moving company or you can save money by asking your local grocery/liquor store.
- Packing Tape
  - To secure your boxes and assure they are level on top for proper stacking.
- Bubble Wrap
  - For wrapping breakable items and using as shock absorbent on bottom of box
- Labels
  - These will save a lot of time when unpacking; easy to identify what goes where

- Packing Paper (*Owner Favorite*)
  - Purchased from your moving company or packing supply-store. This non-ink paper is great for packing and can go along way.
- Movers Plastic Wrap
  - This will assist with securing door and drawers on cabinets, so they are easily moveable.
- Small Plastic Bags
  - Keeps screws and brackets together; label each baggie for each set of screws for an easy find during your reassembling stage
- Some Additional Basics
  - Permanent Markers, Box Cutter and Scissors
